

April 13, 2021 @ IHOP

Luena stopped by to give us a flower basket sales total. 466 baskets! This is amazing. Should be about \$5000 in profits.

Delivery still planned for April 30<sup>th</sup>. We'll reach out to those families when the nursery gives us a time. We did have several basket sales come into the booster club email (54), and we will need help distributing those baskets. Delivery day, Luena is at work until 1pm. Will need help with pick up at Cedar Heights.
